

CLAIMS:

1. (Currently Amended) A medicament for treating Benign Prostatic Hyperplasia or prostatitis ~~a disease of prostate~~, said medicament comprising a homeopathically activated form of at least one monoclonal, polyclonal, or natural antibody to ~~a~~ prostate specific antigen (PSA) ~~form~~.

2. (Currently Amended) The medicament according to Claim 1, wherein said homeopathically activated form of monoclonal, ~~polyclonal~~ polyclonal or natural antibody comprises a homeopathic dilution prepared from an initial solution containing ~~a~~ at least one monoclonal, polyclonal or natural antibody to prostate-specific antigen (PSA).

3. (Cancelled).

4. (Withdrawn) A method of treating diseases of the urogenital sphere by administering a pharmaceutical produced with the use of polypeptides isolated from the prostatic tissue and characterized by the use of activated forms of ultra-low doses of antibodies to the prostate-specific antigen, the activated forms being prepared by multiple consecutive dilutions and exposure to external factors.

5. (Withdrawn) A method of treating diseases of the urogenital sphere according to Claim 4 characterized by the use of a mixture of different homeopathic dilutions.

6. (Currently Amended) The medicament of Claim 2, wherein said initial solution contains ~~a~~ at least one monoclonal, polyclonal or natural antibody to prostate-specific antigen (PSA) isolated from prostatic tissues of cattle or prepared synthetically.

7. (Previously Presented) The medicament according to Claim 6, wherein said homeopathic dilution comprises one or more centesimal homeopathic dilutions.

8. (Previously Presented) The medicament of claim 1, ~~wherein said disease of prostate is~~ which is a medicament for treating Benign Prostatic Hyperplasia.

9. (Previously Presented) The medicament of claim 1, ~~wherein said disease of prostate is~~ which is a medicament for treating prostatitis.
